**Evaluation of the Response to Specific Comment (SC) 9:** The response does not address the comment. Please add the requested citation for U.S. EPA's vapor intrusion guidance to the statement that discusses reducing potential risk through engineering controls or other design alternatives as requested.

**New Specific Comments on new/revised text**

13. Sec 4.2 uses "residential use restriction." This term could be confusing to the reader. Other parts of the document use "areas restricted against residential use" instead, and using it here could be more clear as well.
14. Section 7.0 Public participation, Sentence 3: Please clarify that no "written" community comments were received.
